A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

| 1. What is your connection or | interest in this case? * For exam | ple, are you a customer of the Co | mpany that is the |

subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water Service, Inc. My address is listed above.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

Water service from Carolina Water Service, Inc. is already extrodinarily high. There is little to no maintenance, repair or ugrade done on the water system in the 10 years I have been a customer. Carolina Water Service, Inc. has a literal monopoly on water service in our neighborhood. We are at their mercy for an essential resource. We routinely have to have our "system flushed" and undergo water boil advisories, many times, only receiving notification once the boil restriction is lifted. Their customer service is terrible, their product is terrible and there is no upkeep, improvements made on a 40+ year old water system.

Also one only has to Google search for "lawsuit Carolina Water Service" or "lawsuit Utilities Inc" to see that their business practices are shady at best.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? \*

I would prefer not to appear in person unless it is necessary to motivate some action to stop Carolina Water Serrvice, Inc from continuing to overcharge and under deliver.
